

## Delivra Health's Dream Water® Brand to Launch its Immunity Support Sleep Shot in the Canadian Market

**April 9, 2024 – Vancouver, British Columbia** – Delivra Health Brands Inc. ("Delivra Health" or the "Company") (TSX-V: DHB; OTCQB: DHBUF), a consumer packaged goods company uniquely positioned in the health and wellness sector, is pleased to announce that its Dream Water® brand will be launching a new line of Immunity Support Sleep Shots in the Canadian market as an extension of its existing sleep solutions. Immunity Support Sleep Shots are expected to be available to Company distributors, retailers and e-commerce channels in August 2024.

This product combines Dream Water® SleepStat™ Blend of GABA, Melatonin, & 5-HTP in addition to Vitamin D and Zinc to provide immunity support. The liquid shot also contains our proprietary blend of Elderberry, Echinacea, and Acerola Cherry. The launch of Dream Water® Immunity Support Sleep Shots in Canada is another important milestone for the Company and will contribute to the Company's sales growth plan and brand expansion in North America.

"With Health Canada's approval having been obtained on February 23, 2024, Dream Water® Immunity Support Sleep Shots will be available for purchase in Canadian retail stores and online platforms starting around August 2024," said Gord Davey, President and Chief Executive Officer of Delivra Health. "The Canadian launch extends the success we have seen with this product across multiple channels in other markets such as the United States. We plan to continue our global rollout of Dream Water® products and provide Dream Water® sleep solutions to more territories in the near future to meet consumer needs."

## **About Delivra Health Brands Inc.**

Helping people take control of their health with alternative wellness solutions is what energizes the Delivra Health team! ## **Cautionary Note Regarding Forward-Looking Statements**

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates, and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward-looking statements include, among other things, statements with respect to the timing of when the Dream Water® Immunity Support Sleep Shots are expected to be available in Canada, expectations relating to the Company's sales growth plan and brand expansion efforts in North America, projected success of the Dream Water® Immunity Support Sleep Shots, and any future rollouts of additional Dream Water® products.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance, or achievements of the Company to materially differ from any future results, performance, or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the markets where the Company operates; changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion;

political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; employee relations and the presence of laws and regulations that may impose restrictions in the markets where the Company operates. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

Additional information regarding this and other risks and uncertainties relating to the Company's business are contained under the heading "Risk Factors" in the Company's annual information form dated March 2, 2021, and under the heading "Risks and Uncertainties" in the Company's management's discussion and analysis dated February 27, 2024, for the three months ended December 31, 2023, filed under the Company's profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).

*Neither TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accept responsibility for the adequacy or accuracy of this release.*
