Delivra Health Issues News Release Amendment Regarding Proposed Shares for Debt Transaction

November 13, 2026 – Vancouver, British Columbia – Delivra Health Brands Inc. ("**Delivra Health**" or the "**Company**") (TSX-V: DHB; OTCQB: DHBUF), hereby issues a correction to its news release dated November 11, 2026 (the "**Prior Release**") regarding a shares for payables settlement agreement to satisfy an aggregate of approximately $90,000 of the Company's outstanding payables related to services provided to the Company (the "**Debt Settlement Transaction**"). Subject to TSX Venture Exchange ("**TSX-V**") approval, the number of common shares of the Company (the "**Shares**") to be issued under the Debt Settlement Transaction will be 999,999 Shares at a deemed price of $0.09 per Share, rather than the 9,999,999 Shares previously reported in the Prior Release, which was a typographical error. Immediately following the Debt Settlement Transaction, the Company will have 32,261,780 Shares issued and outstanding on a non-diluted basis. All other aspects of the Prior Release are effective.
